

# Herby Enterprises Limited

## HERBY ENTERPRISES LIMITED

Incorporated in 1965 by Herbert J. Lindsay, Herby Enterprises Limited, headquartered in the Sudbury region, has grown steadily over the years. As Past President of the Sudbury and District Chamber of Commerce, Herb Lindsay has been an active community member and promoter of a positive business climate. He is also the past President of O.A.S.I.S., the Ontario Association of Sewage Industry Services, which is recognized by the Ontario Ministry of the Environment as the voice of sewage and liquid waste carriers. In addition, he is a founding member, and Past Director of the Ontario Onsite Waste Water Association, and the Portable Sanitation Association, an international advisory body.

Herby Enterprises Limited has continually operated with the highest standards of safety and environmental responsibility in every aspect of its business. With a staff of 15 trained employees, and a compliment of 16 specially adapted pump trucks and support vehicles, Herby Enterprises Limited serves residential, commercial, municipal and industrial sites with applications that include:

- Residential and Industrial Vacuum Pumping;
- Rooterman High Pressure Flushing & Drain Cleaning;
- Portable Toilet Rentals and Service;
- Executive Wash Station Rentals and Service;
- EZflow: EZflow family of subsurface drainage products;
- EcoEthic: Environmentally friendly products for septic tanks, field beds, and home;
- Mulla Waterless Composting Toilets: Swedish technology for cottage or home;
- Outback Pack Units: Provides portable toilet, ideal for camping or hunting;
- PolyLok: A cost-efficient way of assuring the longevity of your field bed;
- Filtrol: Stop laundry lint from plugging septic systems, sewers pipes, and drains;
- Aquarobic Home Sewage Treatment Systems;
- Septic Tank Risers: Make your septic tank both easy to find and open for service;
- Water Alarms: Water, the silent destroyer! Protect your home with the Water Alarm.

The knowledgeable staff at Herby Enterprises Limited, led by Office Manager, Sharon Leggett, will be pleased to advise you on any service or product you need. See the Contact Information page for a complete listing.
